*The
Spirit
of Youth*

Youth is a time of growing, learning, discovering, and simply enjoying life. It is an exciting and adventurous time, but it can also be a lonely and disappointing time. The spirit of youth, a nebulous and far-reaching force, can be found everywhere, in the classroom, at a pep rally, on the football field. It can quickly change tears to laughter, ridicule to respect, hate to love. It can be loud and vibrant, or quiet and pensive. It is a powerful, dynamic force, yet it is a transient one, seldom found in adults. The spirit of youth is, however, a vital part of our lives, and should be retained as long as possible. But it is a quality which is difficult to define or capture. Words are inadequate to express the essence of this spirit. The 1965 *Evergreen* tries with pictures to capture as best it can the spirit of youth. Perhaps it has failed. Perhaps nothing can capture completely the spirit of youth. It is hoped, however, that in these pages will be found some measure of the spirit of the Class of 1965.

DEDICATION

One of the best-known and best-liked people at Greenfield High School is Mr. George E. Reineke. Although he has been here only two years, his ready smile and sense of humor have won him many friends. Last year under the direction of Mr. Reineke, the students of G.H.S. put on one of the most successful talent shows ever seen in these halls; and this year with his help the student monitors transformed the lobby into a Christmas wonderland.

Although the job of a disciplinarian can be difficult, Mr. Reineke combines his discipline with an understanding which seems to lessen the punishment, yet makes it more effective. To Mr. Reineke the Class of 1965 dedicates the 1965 *Evergreen*, for he is a man who has truly retained the spirit of youth.

YOUTH

THE CLASS OF 1967

We, the sophomore class of 1964-65, began the year by electing the following officers as our class representatives: Robert Richardson, president; Irma Winer, vice-president; Kathy Tusinski, treasurer; and May Varner, secretary. Their leadership enabled our class to have a successful year at the Senior High School.

On October 28, we held our first class meeting. At this meeting we were introduced to our class counselor, Mrs. Scroggins. Mary Vetterling explained the National Honor Society and its requirements for admission. The significance of this society was later impressed upon us at the induction ceremonies in February when several members of our class became members. We also discussed the Thanksgiving Day Dance which was sponsored by our class. The chairmen of the committees for this successful dance were as follows. Mary Varner, publicity; Bob Richardson, tickets; and Kathy Tusinski, decorations. Robert Phelps' instrumental group, the Vy-Counts, was hired for entertainment.

The sophomore class constructed the huge bonfire for the Booster Day Rally. Our class put much spirit into this project since we were competing with the Seniors who were to construct their bonfire for the Thanksgiving Day Rally.

For the annual football game rally Thanksgiving time our class built a float consisting of an eight foot football between two huge goal posts. A Turners Falls dummy was hung from one goal post. Jo Anne Galipault and Susan Hanley, as the chairmen of the project, supplied the ideas and energy necessary to produce this masterpiece.

As Christmas approached our sophomore class lent its support to the student council's drive to collect food and clothing for the Salvation Army.

Our sophomore year at Greenfield High School has left a greater impression upon us as individuals that we as a class could hope to imprint in its history. Our class of '67 will strive to maintain honor, loyalty and scholarship in our remaining years at G.H.S.

THE CLASS OF 1966

Sheila Kelley, Treasurer; Diane McIntosh, Vice-President; Jane Yetter, Secretary; Sondra Tyndal, President.

The Junior class may be co-ed but its officers aren't. Sondra Tyndal, an active member of Student Council and other school organizations, heads the class with the coveted title of Miss President for the second time. Diane McIntosh, also a second timer, is the chief assistant to the assistant chief (our chief, of course, being Mr. Thompson) as Vice-president. Jane Yetter is our ever busy scribe. Sheila Kelley collects the money from class dues and sadly paid it back out again as Junior Prom Day approached.

We started the school year off with our grand entry in the Thanksgiving Day Parade. Rather than have the conventional little display on a huge vehicle we had a big display on a little vehicle. Our Turners Indian was as riddled on our float as he was on the football field the next day.

Christmas time came and with it came parties and skiing and for some — a little rest. Then came January, and midyears and then — the Junior Prom.

And what a Junior Prom it was! I'm sure that if we had another chance we'd all want to spend another "Night in Shangri-la." The food was delicious, the floor show was stupendous, the queen and her court were radiant, and the decorations were out of this world! Cherry blossoms, colorful murals, and a striking pagoda graced the gym, while Mt. Fuji instilled in us the spirit of Japan forever.

The Junior Prom over, the grind continued with its good times and bad until in June we watched the Seniors walk down that aisle in caps and gowns to receive the little piece of paper which led to the outside world. And tears glistened in a few eyes, not only because these were our good friends that were leaving us, but because we now realized that next year at this time we would be walking down this same aisle to receive our passports to a new life waiting beyond — Our class of 1966 has but one short year left.

CHRISTMAS AT G.H.S.

THE CLASS OF 1965

Rickie Rood, Secretary; Gail Rogers, Treasurer; Ricky Richardson, President; Ken Burdick, Vice-President.

Each senior, upon leaving Greenfield High School, will take with him, of course, his own memories of certain classes, a favorite teacher, or his special friends. He will also take with him memories shared with the whole senior class.

This year was certainly a year of new leadership for the class. Of the four officers, Ricky Richardson, Ken Burdick, Rickie Rood, and Gail Rogers, only Rickie served last year. For the first time in many years the class elected an officer from the vocational school, showing that it is an integral part of the whole school. All of our officers were monitors, as well as active members in many other organizations. Ricky, as master of ceremonies at our pep rallies, always was able to raise our spirits to great heights, and with the Playboys he became a familiar figure to everyone.

One of the first times we demonstrated our ability to work together was in preparations for the Thanksgiving Day rally. Having been challenged to a woodpile raising contest by the Sophomores, we readily showed that we were a class not to be easily beaten. While the boys were busy collecting wood, the girls worked diligently on our float, the "Green Wave." Despite the attempts of the rain to wash away

our wave, our float survived, and though damp, headed the Thanksgiving Eve Parade.

Again at Christmas the seniors, leading the school, demonstrated their abundant spirit and good will. Under the direction of Mr. Reineke, the student monitors transformed the lobby into a magical land of evergreens, tinsel, and gaily wrapped presents. Throughout the school the spirit of Christmas prevailed, and the Student Council, under the direction and initiative of President Robbie Pratt, collected a huge amount of food, clothing and toys for the Salvation Army.

Christmas over, the following months passed quickly in a whirl of parties, one of the largest and most successful being the one at the Weldon Hotel. Some seniors began their search for jobs after graduation while others anxiously waited for their letters of acceptance from colleges. Graduation Day, always considered as one of the most memorable occasions in a person's life, passed quickly in a blur of activities and tears. We remember only vaguely the speaker's words, for through our minds rushed the myriad memories of a senior year long to be remembered.

"That's what you have to look for when buying Cutting Tools for the modern tape-controlled machine.

Never have machines been more dependent on the performance of cutting tools, the point of contact with **your** product, than these electronic marvels. A tool breakdown, and your big investment is idled and losing profit through no fault of its own.

No, you can't afford inferior or 'bargain-priced' cutting tools. You invested a pile of money in your new equipment — protect your investment with proven accurate, long-lived, dependable Cutting Tools. **They are the real bargains!"**

PERMANENT INVESTMENTS

We congratulate you upon the completion of your High School course. Your diploma is the symbol of a wise investment in permanent values — values that will be a sound foundation for continued growth, wherever you go, whatever you do.

Sometime in the future you will have a need for tools — for your job, or your hobby or home repairs. When this time comes, look for the Millers Falls trademark — the symbol of permanency on tools. Since 1868 we have constantly searched for better materials, designs, and finishes to give lifetime utility to the tools we manufacture. Given reasonable care these tools will “season” in use, taking on a character all your own and will be lifetime friends known and proven by the work they perform.

Publishing a YEARBOOK

Is As Simple As

A Y C

To the casual reader a yearbook is often simply an "album" of pictures with written text. Merely ink on paper . . . though nice to own and enjoy.

But to the staff and adviser the yearbook means much more. For yearbook work comprises a multitude of details: Layout, Art, Photography, Copy, Typography, Covers and Binding, (not to mention the small detail of money-raising). Highly technical and often time-consuming and a source of anxiety to a staff unless the publisher's representative is trained to give needed help and suggestions.

At American your publisher's representative is a member of the school's yearbook team. He is skilled in the many facets of yearbook work, having at his fingertips the answers to yearbook problems as well as a multitude of ideas. He is always there when you need him.

This is why we say "Publishing a Yearbook is as simple as AYC."

Acknowledgements

I would like at this time to thank several people who have helped in the production of the 1965 *Evergreen*. I would first like to thank Mrs. Lousia Barclay, my advisor, who was always willing to help whenever needed. Mr. Howard Boucher, advisor to the advertising staff, gave generously of his time in helping to finance the yearbook; and under his direction, the advertising staff sold over eighteen hundred dollars worth of ads, a record high. Mr. George Rosa, our yearbook photographer, was always ready to come to the school at any time, and became a familiar sight to many students. I would also like to thank Mr. J. Robert Vail, who always cooperated with the yearbook staff in doing everything he could to help. To these people go special thanks. I would also like to thank, however, the entire yearbook staff and all others who helped in the production of this book.
